FOR IMMEDIATE RELEASE

Westbound Highway 12 Closure from the I-80 Connector

Solano County – The California Department of Transportation (Caltrans) announced that beginning Monday, September 8 and ending on Friday September 12 there will be night lane closures on State Route 12 (Jameson Canyon Road.)

The closure, extending from the I-80 connector with State Route 12 to a half-mile west of Red Top Road, will last from 9 p.m. to 5 a.m on each night.

DETOUR:

FROM WESTBOUND INTERSTATE 80 TO NAPA:

- Exit at Highway 37 in Vallejo (Marine World Parkway exit)
- Turn right onto Highway 29

Eastbound lanes on State Route 12 will remain open during this period, but some delays should be expected due to traffic from construction trucks.

Trucks ascending this long and steep grade cause traffic delays on this section of SR-12. The closure will enable Caltrans crews continue work on a 1.2 mile long truck climbing lane project to the top of the grade west of Red Top Road.

This project will reduce traffic congestion by allowing motorists to pass slower heavily loaded vehicles. Construction began in January, 2008 and is scheduled to be completed by this fall, with projected capital costs of \$7 million.

Motorists are advised to expect traffic delays during this operation and encouraged to take alternate routes if necessary. Motorists are also advised that traffic fines are doubled in construction zones.

Please “Slow For The Cone Zone.”
